Mushfiqur Rahman

Python Django Developer

I am a passionate programmer, quick learner, and self-motivated. I have almost 2 years of experience in Web Development. I am able to develop secure, efficient and scalable web application by writing standard and well documented codes.

I am a team player who is comfortable working with tight deadlines and can deliver high-quality work. If you are looking for a team member who is dedicated and reliable, I would be the perfect fit for your team.
